

**Verse Spanish**

De colores,  
de colores se visten los campos en la primavera  
De colores de colores son los pajaritos que vienen de afuera  
De colores de colores es el arco iris que vemos lucir

**Chorus x 2**

Y por eso los grandes amores de muchos colores me gustan a mí  
Y por eso los grandes amores de muchos colores me gustan a mí

**Verse English**

De colores living colours embrace all of nature with love in the  
springtime  
De colores living colours adorn all the birds that fly out in the  
sunshine  
De colores living colours envelope the rainbow in heavens  
above

**Chorus English x2**

That's the reason I like all the colours that brighten my life with  
the things that I love  
That's the reason I like all the colours that brighten my life with  
the things that I love
