

A Place in the Choir

All voices chorus:

All God's children got a place in the choir
Some sing low, an' some sing higher
Some sing out loud on the telephone wire
An' some just clap their hands or paws or anything they got

Verse 1 High voices lyric (other parts hum)

Listen to the top where the little bird sings
An' the melodies an' the high notes ringing
An' the hoot owl cries over everything
An' the blackbird disagrees

Chorus

Verse 1 Middle voices lyric (other parts hum)

Dogs an' the cats they take up the middle
While the humming bee hums an' the crickets fiddle
An' the donkey brays an' the pony neighs
An' the old grey badger sighs

Chorus

Verse 1 Low voices lyric (other parts hum)

Listen to the bass it's the one on the bottom
Where the bull frog croaks an' the hippopotamus
Moans an' groans in the big t'do
An' the old cow just goes moo

Chorus
