

**Sonja**

**Intro:**

Ooh ooh ooh.....

**Verse 1:**

Men/Bass voices:

Strings will pensively begin to play  
And I'll be silenced on that tragic day  
I loved you and perhaps this burning flame  
Will no longer ever cause you pain

All other voices: Ooh ooh ooh.....

**Bridge:**

Men/Bass voices:

I loved to frantic'ly without reserve  
At times too jealous and at times too shy  
I pray that you will get what you deserve  
Another man with love as true as mine

All other voices:

I loved to frantic'ly without reserve  
At times too jealous and at times too shy  
Ooh ooh ooh.....  
Love love as true as mine

**Chorus 1:**

Men/Bass voices:

Sonja Sonja in my passion's madness  
Surrendering to sadness over you  
My solitary melancholy verse is  
mumbled in the silence of remorse

All other voices:

Sonja Sonja ooh ooh  
Surrendering to sadness over you  
My solitary melancholy verse is Oh...

**Verse 2:**

I loved the way my ardent heart had flamed  
And if you will allow me my dear friend  
To re awake the lyre with my hand  
Make it ring out with my lover's name

**Bridge:** repeat

**Chorus 1:** repeat

**Chorus 2:**

Men/Bass voices:

Sonja Sonja when in my grave I'm laying  
You'll pause above a moment and you'll say  
I used to love him and he sang for only me  
I was his final inspiration

All other voices:

Sonja Sonja ooh ooh  
You'll pause above a moment and you'll say  
I used to love him and he sang for only me  
I was his final inspiration

BTW The lyrics are a re setting of two love poems by Alexander Pushkin  
Alexander Sergeyevich Pushkin was a Russian poet, playwright, and novelist of the  
Romantic era who is considered by many to be the greatest Russian poet and the  
founder of modern Russian literature.
