

## Zena / Samba Ole

Zena, Zena, Zena, Zena can't you hear the music playing  
In the village square.

Zena, Zena, Zena, Zena can't you hear the music playing  
In the village square.

Zena, Zena join the celebration  
There'll be people there from every nation.  
Dawn will find us dancing in the sunlight  
Dancing in the village square.

-----

Samba Ole missed the party  
Said he was not feeling hearty.  
But when our feet started tapping  
He'd had enough of his napping.  
Samba, Samba, Samba Ole  
Step in behind me and do as I say.  
Samba, Samba, Samba this way  
Soon you'll be wanting to dance it all day.
