Ba ba ba..... //////////////////
//////////////////// Ba ba ba...travelled day and night
Precious gifts to bring guided by the light

Chased a brand new star ever towards the west
Ah.....until they came..... and
then they scarce believed their eyes because they'd come so
many miles
//////////////////// was nothing but a child

Chorus:

Ah..... //// Ah.....
Guide a weary world into the light of day
Ah..... could help erase those miles
Ah..... can be children for a while

Verse 3: all sing

All around the world in every little town
Every day is heard a precious little sound
Every mother kind and every father proud
Looks down in awe to find another chance allowed
