

Solomon's Song

Roadmap: **A** = all sing together

B = Alto and Sops

B = All sing together

C = All sing together

A Come away, my darling. *Come away with me.*

Wintertime is past. *Winter-time is past.*

The cooing doves have made their nest

Springtime is here at last.

There...are flowers on the fig tree

There are blossoms on the vine

Their fragrance fills the courtyard

Their nectar sweet as wine.

B Come away, oh my love

share with me figs and wine,

And the honey-comb.

Share with me, oh my love

Sweet milk and cinnamon

You and me alone.

C Come away, with me to the mountains

In the cleft of the rock we can hide

And quench our love beneath a million stars

Then sail on the morning tide.
