

*I wish you* cou-rage for the next step, and the next

*I wish you* peace in the mi-ddle of the sto-rm

*I wish you* un-ex-pec-ted joy, the strength to see you through,

and a heart wide op-en to all the love su-rroun-ding you

it's su-rroun-ding you...

*last time:*

it's su-rroun-ding you

it's su-rroun-ding you

we are su-rroun-ding you...
